I enclose herein a copy of letter R.C.1935/40 dated 25-4-40 of the Assistant Commissioner, West Coast Sub Division. In the circumstances reported by the Assistant Commissioner, I suggest that the additic peon referred to may also be employed under the Assist Inspector at Ootacamund.

Udipi circle and his four peons should be employed at Ootacamund. But the sanctioned strength of peons of the Assistant Inspector, Udipi was five and not four. These Assistant Inspector and peons were previously working in Mangalore circle, and were transferred to Udipi circle from 1-9-31 as per C.P.R.1273/Abk.31, dated 6-6-31 consequent on the transfer of Karkal taluk to Udipi circle. Now, therefore, the G.O. mentioned above has either to be modified or a place found for the extra peon. I suggest that the fifth peon also may be sent to Ootacamund to strengthen the establishment, as the Assistant Inspector would require five men for inspection and detection work. I request orders may be obtained accordingly. For the present, the peon is still continuing at Udipi as Inspector's orderly.

DC B.D. CR 1161/40-E dy 16-5-40.

In para 1(2) of GO No Ms. 762 Rev dy 22-3-40 the Govt accepted the Board's proposal that the permanent A.D. of Udipi O and his four permanent peons should be employed at Coimbatore temporarily for one year from 1-4-40. The Board's proposal was on the presumption that the A.D. Udipi had only 4 permanent peons. It is now reported by the AC that the sanctioned strength of peons of the A.D. was 5 and that the 5th peon also may be sent to Coimbatore, as the A.D. would require 5 peons for inspection and detection.

The Commr is competent to sanction the temporary transfer of ADs and peons from one circle to another for a period of one year. Vide Appendix No 5-C of M.F. + A.C. Vol. II. The sanction for the transfer of the A.D. and peons from Udipi to Coimbatore O was however obtained from the Govt as it formed part of the proposal to replace one of the 2 Ty SDs by this AD, and as the Govt might have had to be approached next year in case the continuance of the AD at Coimbatore was considered necessary.

The sanction of the Govt may therefore be obtained for the transfer of the 5th peon of the AD from Udipi O

to Geotacamund. For orders.

A: This was incorrect. Reserves
The mistake is regretted. The local
officers were not consulted as the
application for sanction was also
delayed.

Perhaps the Director might
kindly be asked by cable to abolish
the extra post abolished
